VI. STANDING REPORTS:

1. Bianca: she is going to really promote 8th grade dedications at $25. If she can get a good response, it potentially could lower the cost of the yearbook overall. She may be adding pages – she is currently at 72 pages. Is working with the rep. There is some concern about leftover yearbooks from last year – have 2 boxes left. Discussion was had about selling them for $10 each.

2. Gayle: Teachers are ready! Inservice was great!

e. Family Fun Nights –
